Five great figures of contemporary art in search of a drink.

For the new drink menu, we envisioned our characters sitting at the bar, engaging in pleasant conversations about their day and discussing which drink they would like to have at that moment. Just as we are doing now with you. Flavors, favorite spirits, preferences in food and drink, books, music, and the conversations that accompany our and your evenings at the bar. And while our bartenders work on preparing the drinks, you will find yourselves immersed in discussions about fashion, installations, and images of contemporary art.

Imagine, then, Marina Abramovich, Maurizio Cattelan, J. Christo, Peggy Guggenheim, Shirin Neshat, as unexpected companions for our special evenings. We have dedicated our signatures to them, and to you, their stories, eagerly awaiting to know which of the proposed drinks you will feel best represented by, in what we aim to be

the Nodo
experience.

Cheers.
